### Broadening Horizons

#### Facebook pictures of the week:

We were thrilled to welcome our sister school, The Cheltenham Ladies' College, to Guernsey for a Hockey Tour, reuniting our Colleges through sport—an unthinkable concept in the mid-1800s!

Their trip began with a visit to see the Big Band and enjoy the fireworks on Liberation Day. On Friday, they joined our Lower Four students for a hockey training session and contributed a poem to our Valedictory Day service.

Mrs Montague gave the girls a brief history of the two colleges before they enjoyed a tour of the College site. In the afternoon, they played two games to give the Year 8 students an experience of full-pitch matches ahead of next season. Many goals were scored, and the A-team match ended in an impressive 2-2 draw.

On Saturday, we held a 7-a-side tournament against Guernsey Hockey, Blanchelande College and Cheltenham Ladies' College.

On top of the excellent hockey, CLC were very fortunate with some stunning weather throughout their tour which included classic Guernsey activities, such as coastering and a trip to Herm.

It was a memorable weekend, which we're all looking forward to repeating again in the future.
