Seeing opportunities in challenges

Facebook pictures of the week:

The Junior Choir have been learning an arrangement of "A Million Dreams" by Mac Huff, accompanied on piano by Charlotte from the Upper Fourth. They recently spent an afternoon making a video of their arrangement at the School of Popular Music Guernsey recording studio.

Our thanks go to Liv Younger, Ladies' College alumna, for her work directing the choir, and to studio manager Mikey Ferbrache for creating this beautiful video. We hope you enjoy it!
