This week we consider:

Our college values: why do we have them?

Facebook picture of the week

Join us for our next 'The Big Debate'.

Monday 23 September, 18.30 – 20.00

We are privileged to be hosting Tom Fletcher, Principal of Hertford College, Oxford and the previous Ambassador to Lebanon to propose the motion 'This House believes that in a small island like Guernsey, global issues are more important than local ones.'

He will be ably opposed by Sir Richard Collas, an alumnus and former Governor of The Ladies' College and retired Bailiff of Guernsey.

Limited tickets available. **To secure your place, please visit:**
