This week we consider:

Our College values: kindness to ourselves

Facebook picture of the week

Rehearsals for The Ladies' College production of Les Misérables have begun in earnest, kicking off on the first day of the new school year. Students from across our senior school and the island's schools and colleges have come together to form the cast.

After just one week, they've made impressive progress. So far, the cast has worked in a stone quarry (Look Down) and a textile factory (At the End of the Day).

Thank you all for your hard work so far – you're already finding joy in the play's challenges. I look forward to seeing what this week brings!
